# join a wiki

1. Go to http://iwantawiki.wikispaces.com
2. Click on the tab labeled 'discussion' near the top middle of the page
3. At this point, you will need to click on either 'sign in' or 'join'.
4. If you currently do not have a wikispaces username and password, you must click 'join'.
5. Once you click join, this screen will open:

6. **Create a username and password. Your username should be your first name followed by your last initial: Stewie Griffin = stewieg**
7. **Provide your email address.** This is needed to receive your confirmation that you have indeed set up an account.
8. **Keep the button on 'no' indicating that you do not want to make a space.** Remember, you are not making a space, you are trying to join one.
9. **Click on the 'join' button.**
10. You will be redirected to the iwantawiki page, but now you will see your username in the upper right hand corner. Tah-dah! You're almost there.
11. Now, go to the wiki address for your class: http://mrsmazoosablock.wikispaces.com
12. You will get greeted with the following screen:

13. Click on 'request membership'
14. Now, it's up to the teacher to approve you on her end. So, sit back, read something and wait until you are approved. Your teacher will tell you or you can check back and try to get to the site later on.
